**ARTS COMMISSION
DESCRIPTION OF FUNCTION**

The Arts Commission is responsible to the Mayor and Council for providing arts and cultural leadership and to act as advocates for the development of arts and cultural activities for the benefit of Gig Harbor’s citizens. The Commission also collaborates with local, regional and national organizations to increase artistic, historic and cultural tourism in Gig Harbor.

**ARTS COMMISSION - OPERATING
NARRATIVE OF GOALS 2021 – 2026**

1. **Addition of Arts and Culture Element to Comprehensive Plan.** In 2021, the Arts Commission proposes the addition of a separate, stand-alone Arts + Culture Element in the Comprehensive Plan. The Commission submitted a draft element to the Planning Department in June 2018, following input from a citizens advisory committee, including an online survey of Gig Harbor residents. The survey was designed to gauge the public's feelings about arts and culture. More than 900 people responded to the survey and indicated strong support and interest in arts and culture experiences and activities in our community. A summary of survey results is available on request. Commissioners have also crafted presentation materials to inform the public of the proposed Arts + Culture Element. **2021 - 2026**
2. **Creative Endeavors Support.** Continue the program supporting and encouraging creative endeavors — especially those that provide participatory experiences — within Gig Harbor's varied and diverse arts organizations and individuals. Preference will be given to events and experiences that take place outside of tourist season. **2021 - 2026**
3. **Gig Harbor Arts + Culture Planning.** Explore and engage in the assessment, planning and application of a variety of programs available from the Washington State Arts Commission, including the Creative Districts program, the Cultural Access Program with the Washington State Art Alliance and the Gig Harbor Arts Center Alliance, to coordinate approaches and foster community collaboration that will grow the local arts and creative economy through cultural opportunities for the residents and visitors of Gig Harbor. **2021 – 2026**
4. **Workshops and Presentations.** Continuing the popular series of workshops begun seven years ago. These workshops can be presented virtually in the event that COVID-19 restrictions remain in place in 2021. **2021 – 2026**
5. **Harbor Arbor Art.** Continue embellishment of tree snags, stumps and/or logs in city parks or rights of ways. The artworks will eventually decompose and become a part of the site's organic history. In 2019 and 2020, six snags in Grandview Forest were artistically carved. We hope to expand our "palette" to other city properties and request that, in clearing land for the Sports Complex, consideration be given to leaving several tall snags that can become Harbor Arbor artworks. We also will create signage describing the individual artworks, with acknowledgement of the artists. **2021 - 2026**
6. **Update the Catalogue of City-Owned Art.** Our public artworks are among the City's physical assets and proper documentation is essential. Our goal is to create a more professional looking catalog of city-owned art, updated to include recent commissions and acquisitions. We will create an on-line catalog that can be uploaded to the website and used to develop a future brochure for self-guided art walks. The Arts Commission will continue to seek a volunteer to accomplish this goal. **2021 – 2026**

7. **Historic plaques for concrete pillars at Donkey Creek / Harbor History Museum / Austin Estuary.** Working with Harbor History Museum and other partners, we will create interpretive signage for each of the five pillars near the museum and Austin Estuary. The plaques will briefly tell the story of Gig Harbor's first people and the historic significance of the five sites where the concrete pillars stand. A QR code will link to more detailed descriptions on the city's website. **2021 – 2026**

8. **Update Arts Commission information on website.** Provide up-to-date information on the city's webpage. **2021 – 2026**

**ARTS COMMISSION - PARKS OPERATING 001 - 015
NARRATIVE OF OBJECTIVES 2021**

Preference will be given to events and experiences that take place outside of tourist season. **\$25,000.**
2. **Gig Harbor Arts + Culture Planning.** Explore and engage in the assessment, planning and application of a variety of Washington State programming including the Creative Districts from of the Washington State Arts Commission, the Cultural Access Program with the Washington State Art Alliance and the Gig Harbor Arts Center Alliance, to coordinate approaches and foster community collaboration that will grow the local arts and creative economy through cultural opportunities for their residents and visitors of Gig Harbor. **\$250**

Will seek volunteers to perform the work. If approved by LTAC, funding will come from lodging tax funds in Fund 107. **\$5,000**
