The Honorable Kit Kuhn
Mayor of Gig Harbor
3510 Grandview St.
Gig Harbor, WA 98335

RE: 2020 Wastewater Treatment Plant Outstanding Performance Awards

Dear Mayor Kuhn:

Congratulations! The Gig Harbor Wastewater Treatment Plant is receiving the 2020 “Wastewater Treatment Plant Outstanding Performance” award. Of approximately 300 wastewater treatment plants statewide, yours is one of 125 that achieved full compliance with its National Pollutant Discharge Elimination System (NPDES) permit in 2020.

My staff evaluated wastewater treatment plants in Washington for compliance with the effluent limits, monitoring and reporting requirements, spill prevention planning, pretreatment, and overall operational demands of the NPDES permit.

This is the fourth consecutive year the Gig Harbor Wastewater Treatment Plant received this award. Your excellent record is a credit to the dedicated operators who are responsible for running this award-winning plant.

It takes diligent operators and a strong management team, working effectively together, to achieve this high level of compliance. It is not easy to operate a wastewater treatment plant 24 hours a day, 365 days a year, without violations.

Operators faced unprecedented challenges in 2020 and used impressive creativity and shared expertise to manage wipes, gloves, and masks clogging pipes and pumps, and numerous other challenges. Ecology appreciates the extraordinary level of effort your plant operators demonstrated throughout 2020. Talented and proficient operators are critical to successful plant operations and protecting the health of Washington’s waters.

We will announce the 2020 award recipients, including the Gig Harbor Wastewater Treatment Plant, in the coming weeks.

The Honorable Kit Kuhn
