

Harbor Arbor Art

ARTIST APPLICATION

Application deadline: October 8, 2019 ***Must be received by 4:30pm*

Project completion deadline: December 31, 2019

This application refers to the tree snag located at:

3510 Grandview Street, Gig Harbor 98335 (L8-299 – see Page 2)

Inside Grandview Forest Park, adjacent to the public restroom building

Project Overview

The Gig Harbor Arts Commission is sponsoring the artistic carving and/or embellishment of select tree snags throughout the city. A “snag” is the term for a dead tree or a tree that has been cut down to a safe height and left to decay naturally. Most of the trees selected for this project will have been affected by laminated root rot, making the condition of the tree and the longevity of the art unknown.

Guidelines

- The total budget is not to exceed \$3,500.
- All artistic themes are welcome for consideration, but final selection and approvals are at the discretion of the Arts Commission and the City Council.
- Preference is to keep the wood raw, free of color tints, varnish, or other preservatives.
- Political, religious or potentially offensive themes will not be considered.
- The snag will remain permanently rooted in place, unless the City agrees its relocation is essential to the success of the project or artist’s vision.
- Artist is responsible for providing all materials.
- All successful artist(s) shall enter into a contract with the City, which at minimum will require general commercial liability insurance.

Requirements

Submit the completed attached form (Page 3) and a minimum of three (3) examples (photos) of your work and/or a concept sketch of the proposed idea.
