

## DONATION OPPORTUNITIES IN GIG HARBOR

The City of Gig Harbor provides opportunities for individuals, community organizations and businesses to be personally involved in shaping the special characteristics of our community. A variety of items are available for sponsorship. Donors wishing to contribute funds for parks or street amenities shall select from a list of styles, colors, sizes and locations as determined by the City.

Donors will receive acknowledgement with public recognition of their gifts unless they wish to remain anonymous. Contributions to the City for "exclusively public purposes" are tax deductible for federal income tax purposes.

Donations can be made in several ways:

- In memory of a loved one
- Celebration of a special event
- Name of donor or organization
- Anonymous

A commemorative donation plaque may be added and is limited to the size, design and verbiage standards below: (approx. cost of plaque \$125-\$200 depending on wording + \$125 to inset plaque into bench). These costs will be added to the total donation cost)

- "In Memory of ..."
- "Donated by ..."
- Cast-bronze plaque (3" x 5")

The total item cost will be determined when the order is placed, as pricing fluctuates depending on material availability and freight costs. Any freight costs and sales tax will be the responsibility of the donor.

The donated item includes maintenance for the first 10 years for metal, 8 years for recycled plastic and 5 years for wood. Beyond that time, any necessary repair or replacement will become the responsibility of the donor. The City reserves the right to relocate or remove any item as needed to maximize community benefit.

For additional details on the donation process, contact the Public Works Operations Department at (253) 851-8136.

ITEM	Estimated Cost <i>(not including freight or sales tax)</i>
